Virtue for the month - Cooperation

MCC School in association with FSCT conducted a 3-Day Awareness Workshop from 2nd to 5th of November 2018 for School Students on the theme 'Science and Engineering - A Journey' at IIT Madras. Around 253 students from 137 schools of different streams and different states of South India participated in this grand workshop. To enhance their practical knowledge, students are allowed to visit the different laboratories every day.

N.Abdur Rahman (Left) won Gold Medal and Mukesh Alwa (Right) won Silver in the 8th Inter District Wushu Snake Kung Fu Championship 2018 held on November 18, 2018 at Sethu Bhaskara Matric Higher Secondary School, Pudhur. Our school encourages the students to take part in all the games and sports activities.

STEP (Standardised Test of English Proficiency) is a digital education start up, chartered by The Hindu group. Our students participated in the programme and moved on to another level. This is one of the opportunities the school provides for the students to develop the communication skills.

The School Education Department of Tamil Nadu conducted a state level Republic Day Games from 16th to 18th of November 2018. Ms.R.Varsha and Ms.G.Pradeeksha of standard IX-S1 got the runners up position in Badminton.

Children's day which is also called as Bal Divas is the birth anniversary of Pandit Jawaharlal Nehru. It is celebrated to increase awareness among the people about rights and education of children. Children's day is celebrated in India on 14th November with great enthusiasm. In our school the day is celebrated with a number of competitions and activities. The winners were awarded motivational gifts and certificates.
