Vision of the year 2018-19

Virtue for the month - Integrity

Christmas Carnival

To inculcate the habit of sharing and to realise the joy of giving, MCC School organises food carnival every year in the month of December. This year it happened on the 1st of December. Every one enthusiastically took part in the carnival one way or the other. The proceeds of the carnival were utilised for welfare of the underprivileged. The beneficiaries are:

- 1) Jeeva Oli - Blind people, 2) Calvary Chapel Trust - AIDS affected children, 3) Indian Missionary Movement - Tribal children, 4) Navjeevan Seva Mandal - Under-privileged children, 5) Christ for all Ministries - Deserving students, 6) Red Cross Apostle Ministries - Lepers, 7) Jesus Royal Ministries, Punjab, 8) Shalom Charity Mission, Gujarat and 9) Gaja cyclone affected people, Nagapattinam.

International School Award 2018-21

The British council's International school award recognises and celebrates exemplary practices of internationalism in schools. MCC Higher Secondary School applied for the re-accreditation in 2018 and received the award on 4th December, 2018 in a ceremonious function held at The Taj, Yashwantpur, Bangalore.

Mr.A.R.Daniel Jayaseelan, the co-ordinator and Mr.D.Jaison Arputharaj received the award for the school on behalf of the Headmaster. It is being handed over to the Headmaster by Mr.A.R.Daniel Jayaseelan, AHM and Mrs.Christiana Rathnavathy, AHM. This award is yet another milestone in the leadership of our headmaster and correspondent Mr. G.J.Manohar.

O.S.A Reunion-2018

15-17-2018

OSA Reunion 2018: OSA Reunion happens on the third Saturday of December every year. This year it was held on December 15, 2018. Around 500 alumni participated and reminisced their school days. Cricket and Football matches were organised from 1pm. Dr. Mathews of 1969 batch and Dr. Balaji of 1993 batch were the guest speakers. Fifty two students were given scholarship from OSA Endowments. Seventeen students playing in the National Level were also honoured. Staff retiring this academic year were also honoured.

Tech Bee - HCL's Early Career Programme

Representatives from HCL were invited on November 9, 2018 to our school to speak about Tech-Bee.

Tech Bee - HCL's Early Career Programme is a work integrated higher education programme. The programme prepares the XII standard students technically and professionally for entry level IT jobs in HCL (Non-BPO).

The students first get trained for a period of one year to become a software engineer. While on their job with HCL, they may enroll into Masters in IT programme which are offered by reputed local universities.

Clockwise: 1. 1993 Batch students at their Silver Jubilee Reunion on December 15, 2018. They invited the teachers who taught them and honoured them.

2. R.Raghu Raam of VIII - C won the second prize in the 'Graphite Gala' at the 'Artist in Me' - an Inter-school art contest conducted by The Schram Academy, Chennai.

3. Our team of students who won the prizes for their project titled 'Innovative Agriculture' at PRAYOGA - Science Expo conducted by Prathyusha Engineering College, Chennai.
